

The **Education – Preparing and Presenting a Lecture for non-CIIPs** 10-Year Requirements option requires the diplomate to prepare and present a minimum of two hours of lecture related to imaging informatics at a presentation that includes non-CIIPs in attendance. The two hours do not need to be presented at the same meeting or in one two-hour block of time, and the presentation may be conducted either in person or virtually. The presentation(s) must have been prepared and presented within 36 months prior to the end of the 10-Year Requirement compliance period.

Instructions:

- Please complete all sections of this form. Incomplete forms will not be accepted.
- Attach an attestation by the attendees or organizer that the presentation was conducted as described.
- Submit this form through 10-Year Requirements section of your profile on www.abii.org.
- After reporting, save the form in your files.
- This form should only be used as indicated in the ABII [10-Year Requirements](#).

Provide an outline of how the presentation(s) provided education to non-CIIPs:

Provide presentation information showing title, date, time and number of hours completed for the presentation and names of presenters:

Presentation Materials:

Please attach a sample of key slides used during presentation (10 or less).

Attestation:

Please attach a letter of attestation by the attendees or organizer that the presentation was conducted as described in the report. A sample is provided on the [10-year Requirements page](#).
